# ACCELERATOR PROGRAM

## PURPOSE OF THIS PROGRAM

The Incline Education Accelerator Program is a one-of-a-kind program that aims to help 1st year university students across different faculties land an internship. With an excellent team of high performing student mentors and industry professionals, we hope to create a cohort of passionate and driven students ready to take the next step in their careers with our help.

## WHAT WE PROVIDE

- Resume and cover letter resources
- One-on-one mentorship with upper year students who have landed internships in your field of interest
- Weekly instructional sessions by experienced mentors to help with every aspect of the recruting process

## OUR GOAL FOR YOU

The ultimate aim of our program is to propel mentees towards their first internship experience in the real world in their desired field and industry. Although we do not guarantee placements, our program's structure and resources have been crafted such that each mentee's chances of securing spots are uniquely maximized.
